DEAR NATIONAL GUARD/ARMY

Thank you for your service at this critical time in our nation.

I can bear witness to the fact that there are <u>domestic terrorists</u> recruited and trained by Deep State FBI Fusion Centers using <u>microwave weapons</u> and other types of Electromagnetic weapons (DEW Directed Energy Weapons) in THIS neighborhood to harm good people right now.

They endanger me, they endanger you.

Allow me to point out which neighbors are on-thetake to subvert our Democracy. Use Rydberg sensors which DEVCOM has developed to locate them if you can. They can be in homes, on roofs, in cars/engine compartment, or emitters placed on property and in trees, etc. Even if turned off, they leave a trail that can be detected.
